Experience

Alantra. London, UK.

Investment Banking Intern, FIG (M&A and Credit)

August 2025 – September 2025

- Supported standalone & merger models on the buy-side acquisition of a >£3bn AUM non-bank lender (BTL and bridging loans) by a bank.
- Analysed NPL data tapes (Residential Mortgages) totalling >£200m GBV, cleaned data structure with limited collateral details and produced strats to evaluate clustering strategies.
- Contributed to early SRT workstreams (RWA relief) and refined ABS waterfall & tranche cash-flow models.

Cerberus Capital Management. London, UK.

Real Estate PE Investment Intern

July 2024 – August 2024

- Tracked European LCC (low-cost carrier) financial revisions (load factor, fare yields, forward booking) and translated impacts into occupancy assumptions for Southern Europe hospitality underwriting.
- Conducted in-depth family-club market mapping (borough comps, demographics, Use Class) in London and benchmarked pricing & EV/EBITDA against leisure comps to shape the investment thesis.
- Reviewed Croatian hotels portfolio (REV €60-200m each), assessed model sensitivities (Capex, exit yield), keys and location quality, and asset status (stabilized/value-add/repositioning) to prioritise targets.

UrbanData Analytics (Alantra Group). Madrid, Spain.

Data Department Intern

December 2022

- Assisted with Automated Valuation Model (AVM) data-tape cleaning (location coordinate outliers) to stabilise valuation outputs.
- Shadowed the sale of a bank NPL portfolio (>€100m GBV). Helped compare workout strategies (mainly Settlement, Restructuring and Foreclosure) and recovery timelines.

Leadership & Activities

X-Tend Prosthetics (Registered Charity). London, UK.

October 2023 – June 2026

Co-Founder and CFO

- Delivered mechanical arms to 6 people in need in Morocco, 10 more planned for the 2026/27 academic year.
- Managed the capital raised and created a charity business plan used to win a UCL grant.

Skills & Interests

Languages: Spanish (native), English (bilingual), and French (bilingual).

Technical: Python, R, SAS, LaTeX, Microsoft Office.

Interests: Treasurer of the UCL Spanish and Latin American Society (2024 – 2026), player and manager of its football team (2023 – 2026), Bromsgrove School Debate Club and Model United Nations (Palma).
